

AAVA Consulting LLC

CAPABILITY STATEMENT

ABOUT US

AAVA Consulting is a Service-Disabled Veteran-Owned Small Business providing best-in-industry digital and workplace transformation solutions. Our team of professionals have over 20 years of technical leadership experience within the military, private sector, and academia. We are committed to delivering exceptional quality control standards. We offer a wide variety of advisory services that address data analytics, data reporting, and data compliance challenges. In addition to our technical advisory practice, AAVA provides consulting services that include change management, strategic planning, team development, and adult learning principles training. Our experts can deliver/manage projects from a wide variety of industries and provide our clients with the highest quality of services available. We have an experienced pool of resources/recruiting and take pride in our multi- talented team of academics and practitioners. At AAVA Consulting, we strive to exceed customer expectations and provide the best possible service.
